Mary Summerhill reports that her eye surgery did not go as well as expected and she cannot drive very far. She was hoping she would not need glasses but will have to wait six weeks so she really can't go anywhere. Mary, we hope that your recovery will not take as long as that.

Community Blast: This year's Parish Picnic (**The Pig Out**) will be a Community Barbecue here at the church. The date is September 19. Music will be provided by Jack Ewing and a long time friend. *"Pork is God's gift to the gentiles!"* - Jack Ewing

Stewardship: Our Finance Committee and Stewardship Chairman Jack Ewing have sent out pledge cards to the entire parish. It is time to look forward to 2016 and what Holy Cross Church means to us in witnessing to God in the Anglican way here in the valley. Your finance committee asks that you begin to prayerfully consider your pledge for 2016, and be prepared to express it in a confidential **pledge card by September 27**. Even if you are not pledging at this time, please return a 0 card. As well as considering ongoing needs, think about what new things could be accomplished by a modest increase in your historical giving.

"Here's the church and here's the steeple". Our architect has secured for us through the city, no requirement to have to go through the planning commission. We now only have to obtain a building permit to get started.
