Wednesday Night Supper Study: These lessons are provoking questions on every issue from Old Testament theology to current political issues to the growing anti-Christian atmosphere in which we find ourselves in America and world-wide. Separation of church and state – established by God in Scripture in the differing roles for priests/church and kings/government and as established in our First Amendment to the Constitution – has been ordained by and comes under the authority of God. Yet we find the Christian church in the United States today being minimized, marginalized and modified in order to magnify the state.

Next week, prepare for the 5th installment of the lecture/study – **An Instrument of Evil**. In preparation, please read Revelation 13:1, 5; 1 Kings 21; Isaiah 14:12-14; Ezekiel 28:12-19.

For those of you who cannot attend or missed this week, here is a link below to the lectures:

Judy Jollay and Susan Doane have cleaned the church for this week. Please take a moment and thank them for the continuing cleanliness of our church.

Illness: While we continue to thank God for his healing mercy for our parishioners and friends of the parish that are on the mend, we still have several that are not yet able to be with us on a regular basis. I'm sure that they might enjoy a card, call or visit from you:

All Saints' Church in Charlottesville, Virginia, is one of our intercommunion prayer objectives this week. Charlottesville is home to the University of Virginia as well as a trade centre for this part of Central Virginia. Founded by Christians who were dedicated to the classical Book of Common Prayer, it has raised this handsome building. This year, it hosted our diocesan Synod. The Rev. Canon Glenn Spencer serves the parish as rector.
